OVER 130+ ORANGEVILLE PICKLEBALL ENTHUSIASTS enjoyed a power packed pickleball experience and a wonderful social gathering hosted by Orangeville pickleball volunteers.

Orangeville pickleball enthusiasts

Pickleball Ontario was proud to assist and support Orangeville's team of volunteers by providing provincial support and information to their community. New and seasoned players were treated to an introduction to the sport, knowledge on paddle selection courtesy of Pickleball Guys, and the opportunity to challenge high-level player and PAO Board Director Sara McInnes.

Orangeville organizers and volunteers

Orangeville pickleball enthusiasts are geared up to have one of the most vibrant and welcoming pickleball communities in Ontario. Sara and I were proud to have Pickleball Ontario support the Orangeville Pickleball Open House and look forward to welcoming them to our provincial association.
